

Full-time resident position in Small Animal Reproduction

Small Animal Reproduction Vacancy - RESIDENT position (European College of Animal Reproduction) at the department of Reproduction, Obstetrics and Herd Health, Ghent University (Belgium)

We are seeking a motivated qualified veterinary surgeon to work in our small animal reproduction team.

Position opened for 1 year and may be extended for a total of 3 years upon satisfaction of both parties.

ASSIGNMENT

- Clinical and laboratory work related to small animal reproduction (dogs and cats)
- Active involvement in scientific research related to this topic
- Provide assistance in education (under- and post graduate) in this domain
- Contribution to the clinical services in day- and night- and weekend shifts

WHAT WE ARE LOOKING FOR

- You hold a degree of Master in Veterinary Science
For diplomas awarded outside the European Union, a certificate of equivalence (NARIC) must be submitted. The degree requirements need to be fulfilled at the start of your appointment.
- You have completed an internship program or you have more than 2 years of clinical experience.
- You are interested in clinical and academic research and services.
- Any teaching experience and participation in extra training, conferences, etc. is recommended.
- You have excellent teaching and communication skills.
- You are a stress resistant team player and willing to collaborate in night- and weekend shifts.
- Knowledge of the English language is essential and elementary knowledge of Dutch and French are recommended

INTERESTED?

Your application must include the following documents:

- Your CV and an overview of your study results (merged into one pdf file)
- Cover letter: your application letter in pdf format
- A transcript of the required degree. If you have a foreign diploma in a language other than our national languages (Dutch, French or German) or English, please add a translation in one of the mentioned languages.
- For diplomas awarded outside the European Union a certificate of equivalence (NARIC) must be submitted. (This can be requested via www.naricvlaanderen.be/en).

APPLICATIONS SHOULD BE RECEIVED BEFORE 15 september 2021 (send to ann.vansoom@ugent.be)
